was holding her back and "trying" to protect her from my dad hitting or pushing her again. But he pushed me making me stumble forward, into the kitchen wall. then he pushed us again. I ran out of the house into the neighbor's house. they called 911. I heard screaming so I came back into my house. I didn't want to get hit by anything, anyone. so I went outside and stood there with "aunty" Valerie. Aunty Lisa went inside the house and stood in between my mom and dad. my dad was still arguing with my mom while Lisa was in between them. aunty Val went in and tried to tell my dad not to hit ^{my mom} her. I stood outside and watched. my dad pushed aunty Val into my mom. I ran away from the kitchen door, down the hall in case he walked out. I didn't want to get hit. I heard glass or something fall and break. all the neighbors were outside by that time. my neighbor aunty Connie asked me to go downstairs by her, but my mom came outside and the police officers waited into the house. my mom wanted my dad arrested so the police brought these papers up and took a picture of my back where my dad had pushed me. my upper right shoulder. when he pushed me, I felt where he pushed me; it was a little sore, but I was ~~not~~ not badly injured.
